# ABOUT AXIAFUTUREASSET

**Axiafutureasset.com is a regulated broker and financial services provider for traders across the world. We are also one of the fastest growing online brokers with an asset index of over 1,000 stocks, forex, commodities and indices available as CFDs. The Axiafutureasset.com platforms allow you instant access to the global markets via your desktop, smart phone or other mobile devices. You can open one click trades and manage your entire personal portfolio on a single dashboard display. We are located at 71-75 Shelton Street, London, England, WC2H 9JQ.**

Axiafutureasset.com has the professional expertise and the technical resources to provide you with a top quality trading experience. We also have a strong reputation for financial competence, integrity and honesty. Our reputation is important to us and we understand that maintaining a good name as a broker requires constant effort and innovation. As an Axiafutureasset.com trader you'll benefit from our continual investment in the latest financial technology and our commitment to provide new assets and financial instruments.

We regularly update our platforms with the latest trading and analysis tools and continually add new learning resources to the Education Center. We're also committed to reducing your investment costs and offering low cost fixed spreads on all assets. We guarantee that you'll never be surprised by any commissions, hidden charges or other fees.

## Our Vision

Our vision is to make secure low cost investing a reality for millions of people around the world. Axiafutureasset.com is founded on the simple defining principles of technical innovation, financial education and sustainable investing. Our honesty, transparency and commitment to customer service has built a base of loyal traders who have stayed with Axiafutureasset.com, and continue to grow with us as long term trading partners.

## **Your Security**

At Axiafutureasset.com, your trading portfolio is always safe. We've developed a completely new standard of trading innovation. But technology alone isn't complete if it's not backed up with authorization. Our traders are able to benefit from safe and secured trading conditions:

### **Segregated client accounts**

In financial trading, a segregated account is an account, where client funds are being held separately from the broker's funds. At Axiafutureasset.com, all client's funds are segregated and safeguarded by reputable credit institutions. Additionally, Axiafutureasset.com continuously monitors its operations as per its regulatory requirement and submitting of financial reports.

### **Encryption and protection**

Using state-of-the-art security measures, we treat your account with complete confidentiality. Your information and funds are always SSL encrypted and securely stored. Additionally, our site is regularly monitored to protect you from credit card fraud and identity theft.
